kiko+

mini tape recorder

Turn back time to the good old days with the NEW kiko+ retro wooden tape recorder, a one-of-a-kind toy that combines the charm of traditional wood with modern electronic fun. The perfect "remix" of old-school and new cool, this tape recorder actually live records onto the included wooden cassette tape! Use the simple record function to capture a special message, belt out your favorite song or practice a new melody - then hit re-play to relive the magic.

How to make a recording on the kiko tape recorder (it's simple!):

1> Press ● once to start recording.

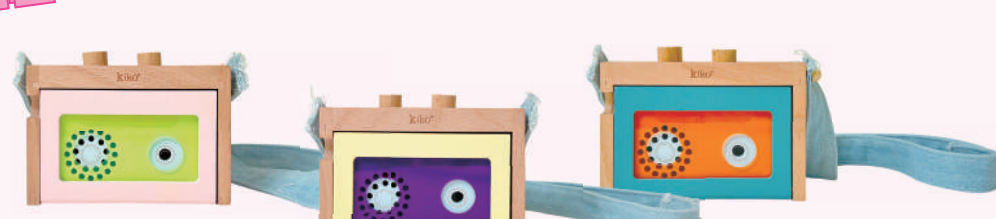

2> Press ● again to stop recording.

3> Press ▶ to listen to the recording.

Delight in listening to the sound of your own voice (and other entertaining sounds).
